## Mission & Vision

To nurture strategies to empower women, not only in socio cultural aspects but also in a holistic way towards the betterment of the society.

# Functions

- To identify and promote the strong leadership and growth of women as individuals in their own right.
- To develop the self-confidence, to create social awareness about the problems of women, gender equality and prevention of sexual harassment.
- To celebrate important events related to eminent women
- To impart knowledge of opportunities and resources available to get backing support.
- To tap the latent talents of the students.

# Pledge

- I shall develop knowledge, independent thinking and power to take decision and thus assert myself.
- I shall excel in my work however small it is and be the source of inspiration and duty mindedness to others.
- I shall work for the upliftment of myself and all other women.
- I shall work for becoming an enlightened citizen and make a corruption free society.
- I shall work continuously to remove gender discrimination and crime against women and children.
- I shall act without pride, prejudice and narrow mindedness.
