Re-Accredited with 'A' Grade by NAAC
College with Potential for Excellence
Star College Status

49th COLLEGE ANNUAL REPORT

2020-2021

Silver Jubilee Government College (A) Kurnool has a special place in the field of Higher Education in Andhra Pradesh. This prestigious institution was founded in 1972 to commemorate India's 25th year of independence. It continues to innovate and explore new paths in catering to the academic needs of undergraduate students as well as the needs of society. Our college was recently selected as an Institution Innovation Council by the Ministry of Human Resource Development, Government of India, New Delhi, which provides great encouragement while also placing greater responsibilities on the institution to continue with vital efforts for excellence in education.

COURSES OFFERED The College offers 12 Undergraduate Courses encompassing the spectrum of conventional, contemporary, and front-line area subjects under the programs B.A., B.Sc., and B.Com courses. The College is offering elective subjects as per the choice of students under the Choice Based Credit System for the last four years. Besides this, it is made mandatory for all final year students to pursue certificate courses to fine-tune them for academic progression and to improve employability skills.

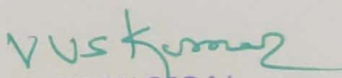

The performance of our students in the semester-end exams continues to rise in percentages year after year. The institution has been aiming to preserve its great track record in terms of providing quality education to its stakeholders through frequent performance evaluations. During the academic year 2019-20 the results and pass percentage of its students demonstrate its commitment to providing high-quality education.

- BA : 100%
- B.Com : 94%
- B.Sc : 98%
- Overall Success Rate: 98%, i.e., 238 passed out of 243

SOME HIGHLIGHTS OF OUR INSTITUTION

The sudden outbreak of Covid 19 pandemic hampered the routine academic activities. The Principal and faculty were proactive in mitigating the situation by sending the students to their homes safely. The faculty conducted online classes, online assessment tests using Google Class room, Google Meet, Webex, Zoom and G-suite platforms. Students were encouraged to attend the online classes regularly.

- Online Internal Assessment Tests with MCQs.
- Digital Assignments to all the students.
- MoUs with notable higher educational institutions.
- A blended way of teaching using Google Classroom along with offline classes.
- Online Board of Studies meetings.
- Online certificate courses in collaboration with IBM, CISCO, and TCS
- Virtual internship in collaboration with Internshala. Virtual practicals in collaboration with Amrita Vshwa Vidhyapeetham Virtual Labs.
- Extra credits for the completion of MOOCS Courses. (SWAYAM/NPTEL)
